PRESENTS
2015 MINI RUBBER DUSKY DERBY

Rules and Regulations

1. The **MINI RUBBER DUSKY DERBY** will take place during the week of the SHCA National Specialty, October 26 through 31, 2015, in Topeka, Kansas.
2. All **DUSKIES** will be provided by the organizer (no personal **DUSKIES** will be allowed to compete). A minimum donation of \$10 is requested to sponsor a **DUSKY**. **DUSKY** sponsorship includes the entry of the **DUSKY** in the Derby, and upon conclusion of the Derby final, the sponsored **DUSKY** will become the property of the sponsor. (The donation to sponsor a **DUSKY** at the National will be \$15.00 per **DUSKY**.)
3. A limited number of **DUSKIES** will be made available for sponsorship in advance of the event, with the balance available at the 2015 SHCA National Specialty. Sponsors need not be present for their **DUSKIES** to compete and/or win. Anyone wishing to sponsor *in absentia* should make arrangements with a friend who will act as agent for the transport of the **DUSKY** and possible prizes upon conclusion of the Derby.
4. If the "Sponsor" is comprised of more than one individual, it is believed that the individual completing the sponsorship form and signing the agreement speaks for ALL individual members of the sponsoring group.
5. A sequentially assigned number will be attached to each dusky corresponding to the number on the sponsor form. Should an individual sponsor multiple **DUSKIES** and wish them to compete in different heats, the Race Committee will attempt to arrange this. Positive identification will be required to claim any prize won.
6. Chances of winning depend on the estimated total of sponsorable **DUSKIES**, which is expected to be 100, and the conditions of the "race course."
7. It is our current plan to run the Derby in ten heats of ten **DUSKIES** per heat; with the winner of each heat competing in the Final Derby Race. All **DUSKIES** will race the same distance. And, although every attempt will be made to duplicate the conditions for each heat and the final, no guarantee can be made regarding race conditions.
8. Competing **DUSKIES** in all heats and the final will be launched in the **DUSKY** pond and the first **DUSKY** reaching the finish line will be declared the winner. **DUSKIES** need not remain upright during the race to compete and/or win. The Race Marshall shall have the final word on results.
9. Anyone attempting to cheat by trying to free or help a **DUSKY**, or hinder or interfere with a competing **DUSKY** will be fined \$5 for attempting to free or help a Dusky, \$10 for attempting to interfere or hinder a competing **DUSKY**, and repeated fines could result in disqualification. Only the Race Committee is permitted to free any Dusky, or to manually maneuver **DUSKIES** along the course.
10. Should any heat or the final be unable to be conducted successfully, winner(s) will be selected by random drawing by the Race Committee.
11. By entering, winners consent to the promotional use of their names and likenesses.
12. Prizes will be awarded to the **DUSKIES** finishing First, Second, and Third in the final race
13. Prizes will be awarded to the Sponsors of the winning **DUSKIES** or their named Agents.
